The Marvel and Other Short Stories is a collected anthology of six short stories written by the winners of the Austin Macauley World Book Day short story competition. --This text refers to an alternate Paperback edition.

These posters are very high quality! The paper is very thick. It arrives in a book but the posters are removable, if wanted. There are 20 12x16 picture’s. Pictures listed in order below:1. FemShep2. Male Shepard3. Liara T’Soni4. Archangel5. Tali’Zorah Vas Normandy6. Miranda Lawson7. Thane Krios8. Grunt9. Legion10. Javik11. Aria T’Loak12. The Team13. Citadel14. Urdnot Wrex15. Jack16. Garrus Vakarian17. The Illusive Man18. SSV Normandy SR-219. Reaper Attack20. N7

I’ve purchased a similar poster collection for Destiny once. These poster collections are amazing, poster quality is top notch, and the price is very reasonable. I prefer this over buying separate sub-par and paper thin posters at $7 a pop. Instead I have this collection of 20 high quality posters which, in hind sight, is less than $1 each.

A great release for any ME fans and for poster enthusiasts (like me). Each and every poster has great artwork and I like how I decide which posters to hang up and which to leave in the book (being a poster enthusiast I hung them all up anyway).The material is nice and firm and overall this is a very well done product. Only downside is that each poster has a white bar on top and bottom. It's not that terrible so buy this anyway.

Lots of poster of various character, Normandy SR-2 and some great location. Really easy to tear the poster and looks great with frame.I just with they also include poster of Ilos though.

Bought this for a very good deal. Awesome quality images.

Excellent posters. I have seen most of these images online before, but having a book of them certainly is exciting as a collector. Posters are good quality. I can only stress that be careful when looking at shipping options; my book came in a flimsy folder and the corner of the book was smushed, so all the posters had awkwardly bent corners.

It's exactly what it's supposed to be. A nice souvenir to tide me over until 2016.

A MUST HAVE FOR MASS EFFECT FANS! This poster collection is absolutely great with a wide variety of art concepts from the series. All are great quality and look professional.
