Synopsis

People who are blind learn ways to use their senses of touch and hearing in order to sense the world around them. Read about the tools they use, including canes and seeing eye dogs, to travel and to be independent. First-hand stories of children who are blind help readers get a personal look at some kids who "see" the world in a different way.

Customer Reviews

did not tell me anything I did not already know. it did NOT tell what it is like to be blind ,i.e. , HOW ONE FEELS,instead it tells what a blind person uses like a cane and braille. VERY DISSAPPOINTED. DONT WATE YOUR MONEY!.
