It is a nice book and ultimately I don’t regret my purchase but it is quite literally only a prayer journal. When I read the description on the cover that states this book is a "3 month guide to prayer, praise, and thanks" i just anticipated a bit more guidance. It is several printed pages bound together with the same thing on every page: 4 boxes for you to journal a daily verse, what you want God to teach you, what you are thankful for, and what your prayer requests are. It seems to be more of a prayer log, than a guide.Even though it is not what I hoped for, I will certainly use it. The quality seems nice and the lettering and details add nice touches if you are drawn to the aesthetic aspect of things. I purchased this along with Timothy Keller’s book on prayer. Hoping that will provide more insight into how my prayer life can grow. This will possibly be a useful tool to use alongside it. Overall, just seems like the word "guide" is a bit of a misnomer.

My husband and I purchased this Prayer Journal for our nearly 11 year old daughter who writes in a classic notebook style prayer journal. We love that this prayer journal everyday gives you four

categories their own squares: "Today’s Verse, Lord Teach me To, I am Thankful For, & Prayer Requests." How awesome is that?! It has made it easier for her to complete a prayer journaling session without having to wonder what to write next. We loved this so much we purchased one for our 15 year old niece for her birthday and she also loves it ! And the price.....what a blessing indeed ! Thanks !

love it will order more

I cannot stress how much I love this journal!!! It helps so much with organizing what I have on my heart and guiding my prayers. It also helps you see the prayers God has answered when you look back on your entries. I will be purchasing again!

I really enjoy this book! I would like it more I believe if it had more room to write in each section! When I got it out of the package the cover was slightly bent but that could have been the shipping company’s problem.

Works exactly as designed.

Loved this! It’s a simple format but easy to use and very cute.

This is a great format for breaking bible verses down in lessons, gratitude and prayer request that apply. Awesome as a personal journal or in a study group!
