Deb Vanasse, the author of several books set in Alaska, she has traveled extensively throughout the state.

This is an informational book about south central Alaska. Most of the question above do not apply. While looking through the book I think it will be very helpful when we are traveling. Book has a lot of information about restaurants, camping, and many other tourists opportunities.Very happy with the turn around time to receive the book.

Nice guide with a really detailed information about everything in Alaska!It helped me in planning my upcoming trip!the fact that the author included prices, was also a really good thing!!

A fun read, wish I read it before traveling there. If I return, I will consult it. Bought it out of curiosity.
