I enjoy authors who know that health advice is always just that, "advice." Medicine is not a sure thing for anyone. Rather than sell patented snake oil with silly "guarantees," this author shares spiritual facts that serve to calm the heart and mind of his audience as he weaves into the prose his best known and verified performance Creation-supplied and proven effective healthy body building materials relative to our prostate, as opposed to the toxic, synthetic, always harmful patented snake oil concoctions from an industry of phony health practice known as "Big Pharma."Down to reality, natural nutrition is the ONLY source of known therapeutic building materials with no or the least harm to our bodies to reverse malignant cell overload that causes every disease. This man knows this fact and instead of brashly following profit-driven Big Pharma tycoons, he adds the ancient healing truths of body, spirit and mind natural solutions to the natural nutrition plant-based physical healing solutions that withstand ages of attempts to deny, change, and castigate by profit-mad alchemists.

I started using Indoplex, it has helped with incontinence. Good practical medical advice with inspirational messages included. That is all.
