Synopsis

2017 GIFT IDEAS | COLOURING BOOKS FOR GROWN-UPS "How dare you call me mentally unstable! On this, the day of my Cat's Quinceanera!!" ---The Snarky Mandala Just because Donald TrumpÃ¢â ¬â„¢s campaign speeches have inspired an entire line of Swear Word Adult Coloring Books, doesnÃ¢â ¬â„¢t mean we need another coloring book with the F-bomb on the cover. Let's combine that anger and negativity, add a cup of sarcasm, a dash of passive aggressiveness, and a sprinkle of sass. Let this simmer on low, deep in your brain, for 20 minutes (or until it glows bright red). Your SNARK is now ready. As with revenge, this dish is best served cold. Popular recipients of this dish include: your boss, your mother in law, your ex, and of course, any telephone customer service representative. Happy Coloring? Shrug. This is my second snarky mandala book by papeterie bleu and it is just as great, if not better then their first. My own opinion the snark of this book is even more in some ways then the first book. If you come home or are just having a rough day and you are in need of a way to get out your frustration outside of yelling, this book is for you. If you simply are just snarky and enjoy coloring this book is for you. Whatever the reason, this book is for you! The snark will have you laughing page by page, to the point you just might find tears rolling down your legs. You've be warned! In all seriousness, this book has some of the best quotes and wonderful mandala designs. All pages are one sided on durable good paper that will you with endless of coloring fun. Any medium you may want to use you can use in this book! I've done one page so far with gel pens and it came out fantastic! Easily I would recommend this to anyone who needs or wants some extra snarky in their life!I received this book as apart of a preferred reviewer program for possible testing and an honest unbiased review.

I am new to the adult coloring world but have fallen in love with it! Love the snarky books!

Like its sister book, this mandala coloring book offers stress relief from both the cute mandalas and the snarky commentary inside each design. I love it because I can identify with so many of them, AND the mandalas range from simple to intricate, so it's perfect for every coloring need.

Some cute sayings. I gave it away for a gift.

Giving as a birthday gift.

I love this. Snarky and fun. Allows you to color your 5000 mandala without going insane. Cheaper than therapy.

And yet another silly mandala book. Beginning to be a bit tedious but still a lot of fun to color.

Love the humor! fun to color! Fun to Frame.... I use all media on this one. I got it very quickly and I was so excited on how fast I got it. Nice quality and worth what I paid for it. I will be sharing with friends and my next coloring party
