Was a gift and she loved it!

A great activity book just for us stoners. I had a great time. I was recovering from surgery its very funnyI love it

A good gift for the herb smoker in your life. Funny and amusing for solo projects or with a group.

I expected something else, not much to my liking. Some puzzles are great, others not and others I did not understand.

HA-sterical! A real page turner whether you know a stoner or not - great for laughs!

This is an astonishing book. It probes some of the most intriguing possibilities of coloring, jokes, puzzles, and philosophical meanderings during high times. It will be remembered as one of the classics of the early part of the 21st century. Kushman has a great mind and is someone for us all to watch. I am already wondering where he goes from here. What was I doing when high for all those decades without this book.Dr. Bud RoachProfessor of Cannabis
