Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Good learning tool.. and recordings are excellent. My only complaint would be like other books in this series, no tabs.. just regular music notation/sheet music. the sheets are full size which makes them easy to read off a music stand. The recordings are great to jam with. A very good product... a

good cross-section of blues classic tunes is provided.

this book is great for wanta be blues players .great backing trax ! I SEE IT AS GOOD MODERN BLUES TRAX ,
