Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

"A wonderful treasure for people everywhere!"

The residents of Lancaster County, Pennsylvania, are famous for their cooking. Cooks from every corner of Lancaster county and the various neighborhoods of Lancaster City submitted their favorite family recipes to be included in this timeless collection. From their kitchens come these more than 500 recipes which are easy to prepare and pleasant to the palate. A wonderful treasure for people everywhere.

All the recipes are Amish / Mennonite.These people are fantastic cooks who use basic ingredients turning out food that’s awesome.Easy to read and understand recipes.

This cookbook is full of wholesome cooking and baking recipes. I wanted to find authentic recipes from the area and found this cookbook when visiting New Holland, PA in April. After buying it and bringing it home, my daughter-in-law wanted a copy after looking through it. I found it on and ordered it for her - she has since cooked and baked many recipes in the book! Simple but good food from the Amish and Mennonite communities.

This is one of, if not the best cookbooks I’ve ever purchased! The recipes are simply, delicious and inexpensive to make. I feel experienced cooks as well as newbies could successfully prepare the recipes listed in the book. There are far too many recipes in the book to list, but I’ve prepared a dozen of them so far and they all have been delicious.The ingredients are not exotic, you don’t need expensive kitchen gadgets to prepare the recipes, and they are all practical enough to prepare on a weeknight.

I LOVE THIS COOKBOOK. HAS EASY, WONDERFUL, TASTY RECIPES!!!! ITS NOT LIKE ONE OF THOSE COOKBOOKS THAT CALLS FOR INGREDIENTS THAT YOU CAN NEVER FIND IN THE STORE. EVERYDAY RECIPES FOR EVERYDAY PEOPLE, WITH EVERYDAY INGREDIENTS!!!!

I was afraid this book would be a repeat of past Amish and Mennonite recipes from many cookbooks that I bought in the past, but there was enough variety that I’m so happy I purchased it. I was looking for solid, every day fare, and this book did not disappoint. I bought a copy as a birthday

present for someone and she loved it. Recommended!

Dont buy this book. It is an insult to even the novice cook or baker.

I bought this book for my sister, we have looked over some of the recipes and they look delicious! We have recently tasted Amish/Mennonite food for the first time and think it is at least 3 times better tasting than any other food. Now we are going to make some of it.

My new favorite cookbook!!!!!
