Synopsis

O Glorious City is an exuberant love letter to San Francisco from Jeremy Fish, a beloved artist who enjoys a massive fan base for his edgy artwork. When Fish was invited to create 100 new works of art in honor of City Hall's 100th birthday, he moved his studio into a City Hall office to become the city's first-ever artist in residence. This celebratory book gathers all 100 pieces of artworkÃ¢â ¬â •each rendered in his signature whimsical styleÃ¢â ¬â •featuring everything from the city's famous architecture and treasured local landmarks to portraits of colorful local residents in a gallery of "unofficial mayors." Together these images form an energetic, visual tour de force showcasing San Francisco's vivacious spirit and vibrant history.

Ã¢â ¬Å“There may not be an artist on Earth who embraces and embodies the fabric of San Francisco quite like Jeremy Fish. From his studio in North Beach, Fish has adopted a folkloric storytelling method that weaves the historic and unique.Ã¢â ¬Â¦ Immersed in the skate and art cultures of SF for going on two decades, Fish embeds each black-and-white drawing with a signature ornate illustrative style that has made him an iconic artist.Ã¢â ¬Â• Ã¢â ¬â •Juxtapoz

Jeremy Fish is a fine artist and commercial illustrator based in San Francisco. His work is exhibited in galleries and museums around the world, and his artwork has been featured in several solo monographs.

This book starts off with a beautiful explanation of the author/Illustrator Jeremy fish and the project that led to this book. About how Jeremy Fish was approached to create 100 drawings in 100 days to commemorate the city halls 100-year celebration. This book has beautiful, simplistic sketches. All with the amazing theme of San Francisco. Many of the pictures have very simple perfectly planned explanations as well. A very good book for artists, travelers or anyone really!

Great book would recommend everyone to purchase. Did not know much about the artist but it is a must have for any fan of San Francisco.
