Synopsis

Government and Not-for-Profit Accounting, 7th Edition by Michael Granof, Saleha Khumawala, Thad Calabrese, and Daniel Smith makes students aware of the dynamism of government and not-for-profit accounting and of the intellectual challenges that it presents. Not only does the 7th edition keep students informed of current accounting and reporting standards and practices, but it also ensures that they are aware of the reasons behind them, their strengths and limitations, and possible alternatives.

Customer Reviews

Got book for class. Works for both government and not for profit next semester. This is a bonus! Pretty dry read but gets the job done.

Not horrible as far as accounting books go lol.

The book arrived well ahead of schedule and was just as advertised. No complaints at all.

Rented the ebook for a summer course. Nice and informative.
