Synopsis

Mermaids Beattie, Mimi and Zelda, and Steve the talking seahorse, are trapped aboard the spooky ship the Merry Mary, heading for the presumed-mythical Crocodile Kingdom - a vast, crocodile-filled metropolis where nothing is quite as it seems. It’s time to swim on down to the bright green lights and explore the oldest and grandest mermaid kingdom of them all! Just don’t let any mermaid know you’re not from there. Or else. Featuring magical mysteries, fabulous fashion and a snappier than average transport system, the second Bad Mermaids adventure brings a whole new twist to the underwater world of mermaids. If you enjoyed Witch Wars, The Little Mermaid or Mabel Jones, you’ll love this!
