It was fascinating read and I was really wondering by knowing, how it possible to use marijuana in a dish. Oh, this was an amazing read and throughout this cookbook, I have learned about how to make edibles that are delicious and easy to make. Inside of this book I have found dipping and drizzling essentials for personal & responsible medication. It really taught me the ins and outs of cannabis-infused cooking. Here I got step by step guides and easy to follow cooking instruction. I really liked almost each recipe that what I learned from here and trust me, all these dishes are really so delicious.

This is, perhaps surprisingly to some, a sober and sophisticated cooking book. Given the quasi-legal status, medicinal quality and mostly unknown culinary chemical complexity of its thematic ingredient, they make a great effort to dispense information critical to understanding how to safely make delicious food with this mysterious plant. It’s fascinating just reading the introduction without the recipes.

The Cannabis Cookbook is the cookbook that has encouraged me to really give cannabis cooking a

go, with spectacular results! Each recipe is presented with options to control the amount of cannabis and its effects, which makes me feel a lot more comfortable trying them out. Interesting recipes. Looking forward to trying them out.

This book is different than other cookbooks i have red.ii could not try these recipes as in my country marijuana is illegal so we cannot find any product like cannabutter has made using marijuana. and also i like if this book contains images of these recipes. so we can see what are these recipes.

Well, there are several reasons for me to purchase this book. First of all, I was intrigued by .. let's say new opportunities. It is my first experience with cannabis :). And I was surprised how easy to cook and so delicious. All ingredients are available.Chocolate Canna-Banana split is incredible. I don't like cooking but I will definitely make sometimes using cannabis. My nervous system will be in a good shape.There are a lot of useful information about cannabis. Also, there are so many lovely desserts and drinks to use daily.

In this book, you will find an edible for any occasion ÃƒÂ¢Ã â ¬Ã â œ first meals, desserts, drinks. HavenÃƒÂ¢Ã â ¬Ã â„¢t tried all recipes yet, but Chocolate Canna-Banana Split and Mary JaneÃƒÂ¢Ã â ¬Ã â„¢s Marijuana Tea are excellent ÃƒÂ¢Ã â ¬Ã â œ tasty and relaxing.
