The United States Pony Club is among the largest equestrian organizations in the United States, with thousands of members in clubs and centers across the country.Susan E. Harris is an international clinician, riding instructor, and artist. She has taught all seats and styles of riding and travels worldwide to give riding clinics and instructor-training courses in Centered Riding and Anatomy in Motion. In 2004 she was honored as a Master Instructor by the American Riding Instructor Association.

I consider this a "must have" book for all new horse owners. If every owner knew what was in this book, there would be a lot more happy horses. The most comprehensive book I’ve read to get you started with horses, For less than the price of one riding lesson, you will have a huge amount of information at your fingertips. Great illustrations and descriptions. I buy several when on sale, and give to new horse owners.

Great book fore all horse families with children. A must have to learn about riding and living with horses

Great book!

This book is written for kids but since I didn’t know anything about horses, it was good for me. It teaches you everthing my trainder said it would teach me.

Great manual for all PC members!

Superb book to assist all novice horse owners or riders returning to the sport.
