Great and fun book

Lovely, entertaining and funny, it made me think I could do some of the things explained there also. Well not all of them as I was born with two left hands, but still.....Veramente carinissimo e divertente, inoltre ho quasi pensato che nonostante la mia pessima manualitÃƒÂ¡, sarei potuta riuscire a mettere in atto qualche progettino spiegato nel libro, ma non ho ancora messo alla prova questa mia teoria.

I enjoyed the book. It’s a sweet cupcake of a book. Anyone who’s likes the "Tokyo look" will enjoy this book .
