Synopsis

This is an oral history of a second-generation, urban-born woman who struggles to survive in the poor, Andean city of La Paz. It shows how her identity shifts over time, shaped by the major events in her life. Topics range fron social networks to magical interventions and clairvoyant dreaming.

Hans Buechler is professor of anthropology at Syracuse University. Judith-Maria Buechler is professor of anthropology at Hobart and William Smith College.

WELL WRITTEN

Would you like to know more about Philosofy? Or would you prefer a great suspence novel? Why the world was created? Was it created? Are you different from a plant, a dog or even from another man? If one of this questions intrigue you, you must read this book! And if they don’t, it’s time to think about life, death and the whole universe around us! This book can help you understand yorself! It’s the kind of book you can’t stop reading until you finish it! And when it ends, you ask yourself why you’ve read it that fast

This books is great. I am so glad that a friend left it in my car and said you should read this!!!. I am happy that i did. It is really a great book, if you like to kind of get some answers, some more deeper

and complicated explanations on to why thigs happen in a certain ways or even what they are and they unfold. The book definatly makes you think about whats going on in your wold as you read the book, it is something that you can definatly relate to and learn!!!
