Customer Reviews

to me, one of the most beautiful of Chopin’s impromptus. The sheet music is clear and provides additional explanations of any potential edits in the music. One of the grace notes was printed as 16th notes, when I think it should have been 32nd notes

It’s the full, unabridged version as written by Chopin for piano. Clear, well spaced notation. Highly recommended! Can’t go wrong.

Accurately printed with composer’s dynamics carefully preserved. Good Purchase!

Good quality
