Shoko Hidaka’s works have been published in English, French and German. Her previously published English-language releases include Restart and Not Enough Time. She was born an Aries on March 31st in Tokyo and has an A blood type."

It’s got strong characters, good art, and an actual mystery story line. The sex in this volume is sparse, and what there is is only moderately explicit. If you want to read the series, be aware that it becomes sexier in the 2nd volume. It’s NOT romantic. No roses and candlelight. But I was caught up in the story enough to get Volume 2, so if you’re looking for a strong story, I recommend it.

this story is really very good. It feels meaty compared to most other yaoi. there is character developement!! and a plot. The adept storytelling makes the characters actions and motives believable. Of course the sex scenes are beautifully drawn. Hidaka Shoko seems to use a less-is-more approach very successfully. You really seem to sense what these two characters are feeling without being over burdened with too much dialogue. really nice work.

This is a nicely written period piece. The build up between the two main characters is slowly

developed so you get a good sense of why they come to develop their feelings. Their chemistry is good and the art shows some real pretty boys. I bought the whole series.

A fascinating story, but for some reason the sex scenes leave me cold.

The book came earlier than expected and it was perfectly wrapped and in a plastic wrapping (not just because it was explicit content) but like an outer rapping :) It was in good shape :)

Didn’t like the story so I gave it to my friend, but other than that it came pretty fast and pretty new. Thank You!

I was not in love with this story (so far) as others. I thought it contrived. It was very hard to hold my interest. As yaoi goes, not much "yaoi" in this vol. If you are looking for something with a really slow, slow story, and no explicit sex..or sex for that matter you will enjoy this.

Received books days ago. They are very good print and the English translations are fine. Blue morning is a great and literary title for readers to understand the special style of authors. I love the series.
