Excerpt Welcome to the next 90 days of your life. Those days will unfold whether or not you live them with purpose and passion.?You can just mark time, muddle through each day and stumble closerÃ Â to the end of your time on earth. It's your own personal jump start for living the Proverbs 31 life! I've been following God and studying his Word for nearly thirty years, yet somehow I thought the Proverbs 31 woman was a mythological creature or worse. I thought she was a weapon used by spiritual leaders to make all of us ordinary Christian women feel bad about ourselves. But then I met her in person . . --This text refers to the Audio CD edition.

Although I haven't finished my study yet, I am enjoying it once I got past the first hurdle of listing unique qualities I have. I'm not good with affirmation of self, so that was a hard one for me. I do like very much where this study is going thus far. I really like the TAG=Time Alone with God information.I would definitely recommend it.

I just got this book today and not only did get it to me on time, but the layout of this book is amazing and it has so much in it I have a feeling this will be a wonderful 90 days! I didn't even know it has stuff about diet, exercise and home bill planning I'm so excited!

This book came as specified. This is an easy read which is a 90 day devotional.

Item was brand new and shipped quickly! This book is a practical guide with realistic expectations/activities to accomplish! I love the author's coversational writing style!

As a Christian woman, I thought this book would be good for my continual spiritual growth. However, I had a problem with how she kept referring to God as our husband. I understand the church is the bridegroom but he is our Heavenly Father not our husband (too much of a sexual aspect to it). Good for learning how to take time with God daily and better our relationship with God and our husbands.

This book is hands down one of the most thorough and detailed studies on Proverbs 31 that I've have ever read! It has best such a trasbformational tool in my growth as a woman of God spiritually, physically, financially, occupation ally, and intellectually. God bless you, Donna!

Every woman should do this study and discover your full potential as a woman of God. Don't rush through it, but meditate your way through it, so that it becomes a part of you, and you will love the New You.

Great book! Very practical and great ideas!
