What a great book!!! I really enjoyed the size of the book. So many times, it is difficult for me to hold on to a small book and solve. This book will lay flat on a table for ease and convenience. The puzzles are well categorized, Easy, Medium, etc. I think this book will challenge every level. I will order from Funster again!

A wonderful book full of medium to hard Sudoku puzzles. In this book, Charles Timmerman helps you relax as you enjoy doing the puzzles.My whole family love doing these puzzles even my 87 year old mother.Thank you Mr. Timmerman for keeping our minds sharp and relaxing our nerves.

Puzzles for all levels,easy,medium,and hard, as well as the answers. You can cut or tear out apage

so you don’t always have to have the whole book with you. A fun way to exercise your brain every day.

Awesome book! I like the fact that there are different skill levels for beginners to expert. Plus at 500 puzzles, it will be awhile before I need another book!

Once again, the author Charles Timmerman, has created an excellent puzzle book.He has word search puzzle books that are equally as good. This Sudoku book has 6 puzzles per page with 6 more on the back of each page, less page turning that way.He offers great brain exercises!

A great fun book of puzzles with lots of easy puzzles, then medium puzzles and lastly lots of hard puzzles. Something for everyone or someone trying to work up the ladder of difficulty.

I’m really enjoying the three levels because then I can choose the puzzle(s) to work based on how much time I have available. Lots of fun with over 500 puzzles divided into Easy, Medium, and Hard.

This book is awesome!! I love it--it has easy, medium and hard Sudoku puzzles.They also made the margins of the pages large so you can easily rip or cut the page out to work on. Great fun working the brain. Highly recommend.
