## Customer Reviews

Great

My kind of book.

This was full of suspense as a young lady suffered loss of her parents, then her Aunt sold her to a 70 year old man who had been married five times and had numerous daughters older than her who mistreated her before they were to wed. Hearing a train coming she ran to it and traveled across this great country to Texas. As she got off the train she collapsed, trying to help he a young man picked her up and took her home with him until she had recovered from her trip. A must read for those who enjoy historical western romance kindle books from  at a special price and from a delightful author who keeps me wondering what next for the characters. A great book.

The hero rides again, and again and again. I found this story to be very exciting. A tough as nails cowboy finds a very pampered city girl when she collapses on arrival in the wrong town and state. I recommend this story to everyone who wants a good clean fresh romance story with a little drama and love.

Marrying someone and giving them loyalty is hard to do when you don’t love them. Love comes when you share experiences and listen to each other. Opening doors to love and loyalty. This story gives you a glimpse of both.
