The step Children is truely a heart feeling story. Betsy didn't know a thing about children but she knew a lot about playing & laughing & making others laugh. But will she ever be able to get her husband to laugh ? She has a long road ahead. She actually is growing up & maturing with her step children. I love this whole series ! Thank you once again Katie Wyatt for outdoing yourself ! Keep up the good work :)

A Katie Wyatt story is always a winner and this one is no exception. I loved all the characters and the description of life on the prairie where nothing was sugar coated. My only complaint is when the story was getting really interesting, it ended. Katie: we want more!!! The writing is smooth and is an excellent take to the beach/lake/backyard on a summer's day read. Enjoy....recommended.

Story of young lady. Her troubles and dreams. They cause her lots of trials. She does the only thing she can think to do. Then life goes on to book 2. So let's find out !ore of here story okay.

I enjoyed reading the story about Betsy going out West to get married to Jim. Both of these people have secrets and they are learning how to get along and learning to like one another.

This is a great novel with sad circumstances and a view of howHard it was for men and women to cope with survival during the movement west.Sonja Stover Bracey

This is book 2 of The Oregon Trail Series. So far the family is headed for a new adventure so I will see how the adventure goes!!!!!! I hope you are ready also!!!!!!

Wanted the story to keep going! Will the family make it to Oregon? Will she stay with this needy family.

A Farmer had lost his wife , he had small children to care for so he advertised for a Bride to help him while he worked. A young lady looking for a better life answered his advertisement for a Bride coming west to find him. It was different for her as she had not been used to children but she soon learned to cope. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters. A great book.
