Synopsis

Kids will love reading all about the panda Mei Lan, born at the Atlanta Zoo in September 2006. Through her story, they?ll learn about what newborn pandas are like (they?re the size of a stick of butter!), about their development, and about what life is like for pandas in the wild. This book also touches on efforts to protect this endangered species.

Book Information

Series: Penguin Young Readers, Level 3

Paperback: 48 pages

Publisher: Penguin Young Readers (April 17, 2008)

Grade Level: 1 - 3

Customer Reviews

Kristin Ostby lives in New York, New York. Lucia Washburn lives in Petaluma, California.

awesome book. I liked it because it tells the story of the pandas being born in captivity and how important this is to their survival. It tells a lot about their weight and size at birth. It also tells us about their bond between that happens between the mother and baby. How they progress in character and size.

We loved this book so much in our household that we bought two, one for our daughter and one for her kindergarten classroom. The book does a great job of giving great information about pandas and their habitat.

I got this book whilst at the Smithsonian Zoo in Washington, D.C. My 4.5 year-old daughter loves pandas and this book seemed just right for her. The story revolves around a young panda cub who was born in the Atlanta Zoo in late 2006, named Mei Lan. Young children and readers alike will learn about how tiny young pandas are when they are born, and how they eventually grow their fur and black & white markings that make them so distinctive. The story also focuses on how Mei Lan grows under her mother's watchful eyes, and learns to eat bamboo shoots and leaves etc. The text is easy to read and the illustrations are in full-color and visually pleasing. I liked that the focus was not just on Mei Lan, but also in contrasting the pandas with other bears such as grizzlies and the red panda, amongst others. This is perfect for adults to read aloud to young children, and also for readers who are able to read with some help.
