Funny quips from Maxine

I enjoy Maxine but some of the comics seemed redundant but still made me laugh.

loved it

Hilarious!

Still laughing

Hilarious! Got this for my birthday and enjoy sending to other friends for their birthdays as well. We all need to relax and make fun of ourselves sometimes. My friends all have enjoyed the book also.

I gave this book as a present. The person who received said that she laughed and laughed, so it must deserve a high rating!

I love reading Maxine books (or all items really!!)!! You get some really good laughs, even if the stuff is a little too close to home! Enjoyable book and illustrations.

Bought this for my mother-in-law for Christmas. She loved it. Maxine is one of her favorite people. Everyone who visits her gets to hear about Maxine.
