I love NPR - this was pretty good, but very short. It was expensive considering its brevity. I donated it to the local library and hope others enjoy it more than I did.

good stories

Enjoyable stories for sure and worth a listen. Wouldn’t necessarily say that they were all "driveway moment" quality, but fun to listen to none the less.

This is a very enjoyable collection of stories about dogs and their owners. Any dog lover will enjoy the variety of stories - from trainers to amazing canine feats to celebrations of our friendship.

I gave this as a gift to a friend and she loved it. She is a dog lover and when she is stuck in the car this was a perfect thing to listen to

Great for listening in the car, or at home. And yes, I sat in the driveway after a trip so that the CD would finish.
