great

The tabs are accurate enough, but the lyrics aren't faithful to the album at all in a few songs (especially Caress Me Down).

Sancho don't practice Santeria, will participate in sum anarchy

Item as described. Prompt delivery

Got to love playing Sublime.

It was missing an entire sheet of music. Torn right out of the damn book. But, it's used, so I can't be too mad.

i own both, 40oz to frredom and self titled sublime sheet music books, and i saw this book in a sam

goody store. and i saw they were totally different music. when they say easy, they mean EASY. they don’t have begginings to 80% of the songs. "saw red" was only the chorus. "doin time" was only the part where brad sings. "krs 1" was only the verse. "date rape" was only the beggining. oh yeah to make everything worse, there are no solos in the whole ... book.

The Sublime book had most of the songs that I needed to learn. It included all the little intervals and breaks in the music so you can play the song exaclty how it is on the cd.
