Synopsis

Commercial real estate development is the ability to take a piece of land or existing building(s) and create something of value, something that will attract tenants, users and ultimately buyers. Its that simple. You want to build something that a person, business or municipality will pay you rent to use, people will want to live in , use or visit and buyer will want to purchase. Of course, you typically want to build something that will result in a profit and your can be proud of. So how do you get started? In this book, part of series, we begin to explore specific issues related to the "how". How to get started, how to find tenants, attract financing, and successfully purchase the location and build or purchase a commercial real estate project.
