Synopsis

The Bhagavad-Gita has been an essential text of Hindu culture in India since the time of its composition in the first century A.D. One of the great classics of world literature, it has inspired such diverse thinkers as Henry David Thoreau, Mahatma Gandhi, and T.S. Eliot; most recently, it formed the core of Peter Brook’s celebrated production of the Mahabharata. --This text refers to the Paperback edition.

The Bhagavad-Gita has been an essential text of Hindu culture in India since the time of its composition in the first century A.D. One of the great classics of world literature, it has inspired such diverse thinkers as Henry David Thoreau, Mahatma Gandhi, and T.S. Eliot; most recently, it formed the core of Peter Brook’s celebrated production of the Mahabharata. --This text refers to the Paperback edition.

Loved it, used it as a textbook in college-- now reading it for pleasure. Wonderful translation.

Good Read

An very good contemporary translation but deviates considerably from any classical Indian tradition. No Sanskrit or Sanskrit transliteration, so it is impossible to analyze the relationship between her

translation and the original Sanskrit words.

The most readable translation of the Gita that I have found.Proof that white space enhances reception of complex thought.

Her translation is supurb. Very close to the Sanskrit, not too flowery and not too terse. We are studying the Gita now and reading from Isherwood, Easwaran and Satchidananda and she is very "spot on" in the translation. We highly recommend it.

Amazing thank you very helpful! Highly recommended!Renee (Rivki) SilverbergAuthor of Understanding Children and Families with Autism Spectrum Disordershttp://www..com/Understanding-Children-Families-Spectrum-Disorders/dp/1622127269/ref=sr_1_1?s=books&ie=UTF8&qid=1418769206&sr=1-1&keywords=understanding+children+and+families+with+autism+spectrum+disorders

The translation was scholarly yet accessible. The story itself is an examination of the true self and one’s place among the Universe. A good introduction to Eastern Religious Philosophy.

This translation gives us just the words of the Gita without commentary ... trusting the reader is wise enough to interpret and understand. I read through the night and couldn’t put it down.
