Synopsis

Appropriate for courses in Paralegal, Legal Studies, Criminal Justice, Poltical Science, and Pre-Law, any course that requires a brief introduction to the legal system. Affordable, concise, and newly designed, the Eighth Edition of Introduction the American Legal System describes the structure of the American legal system, the criminal justice system, and the federal courts in a straightforward and accessible style. Known for its clear explanations of basic legal concepts, this text provides concrete examples in the substantive areas of torts, contracts, real property, wills and intestate succession and legislation. It offers an overview of the judicial process from beginning to end and includes an extensive glossary of terms. In addition to its competitive price, this edition features new photographs and illustrations, timely sections on international and military law, information on federal tribunals with exclusive jurisdiction, and important Internet links throughout.

Customer Reviews

Great product!!

Great book

This book is great.Exceeded my expectations. Great tool for beginners.It helps a great deal for the class.I gives you the big picture of the American Legal System.

This book creates a detailed depiction of the judicial branch without being overly wordy. Chapter 7 is pretty much the US Constitution broken down.

Great value, and the book was in excellent condition, no writing or highlighting.

The book was in great condition. No folded pages or markings.

Came on time and very pleased

very helpful for the course taken
