Elizabeth Clare Prophet (1939-2009) was a pioneer of modern spirituality and an internationally renowned speaker and author. Her books are published in more than 30 languages, and millions of copies have been sold online and in bookstores worldwide. Throughout her lifetime, Mrs. Prophet walked the path of spiritual adeptship, advancing through the universal initiations common to mystics of both East and West. She taught about this path and described her own experiences for the benefit of all who desire to make spiritual progress. Mrs. Prophet has left an extensive library of spiritual teachings from the ascended masters and a thriving, worldwide community of people who study and practice these teachings.

This is a wonderful book on Saint Germain and the Violet Flame. A must for all spiritual seekers.

St Germain’s fountain of youth is a mystery to us all, but it is an industry that is alive and well even to this day.

The book arrived - new, but these are very small books. Everything else about the book is very good, except its size - it would fit in a coat or jacket pocket. Kind of hard to read when a book is that small.

I enjoyed the book. It is about spirituality, meditation and reincarnation. It describes the different lives of Saint Germain in this world.

A must have book for our collections, I will recommend this book and I will buy again from this seller if I need more from their items on

Great information for me.
