Synopsis

In this, Volume I of her Handwriting series, Blatt delves into the fears that plague us all and the only three methods of handling them: fight, flee, or adapt. By perceiving clues reflected unconsciously in the handwriting of various letter-writers, she is able to help them pinpoint the sources of their fears and offer advice on how best to conquer them. For some she recommends graphotherapy: the process of turning negative traits into positive ones through the conscious altering of oneÃ¢â ¬â„¢s handwriting. The reader, by using the Ã¢â ¬Å“Dear DenaÃ¢â ¬â„¢sÃ¢â ¬Â• as a Ã¢â ¬Å“How-To,Ã¢â ¬Â• learns graphology quickly and easily. To lighten the study, personal anecdotes pertaining to the subject matter are interspersed throughout the book, as well as relevant quotes by famous writers, artists, scientists, and celebrities.

Book Information

Series: The Answer is in Your Handwriting!

Paperback: 252 pages

Publisher: CreateSpace Independent Publishing Platform (October 14, 2013)

Language: English
