Synopsis

In this, Volume II of Dena BlattÃ¢â ¬â„¢s Handwriting series, the author analyzes over a hundred handwriting samples from men and women asking the age-old question: Ã¢â ¬Å“Is my partner right for me, and if not, what should I do about it?Ã¢â ¬Â• A certified graphoanalyst (handwriting expert) since 1974 and Ã¢â ¬Å“Dear DenaÃ¢â ¬Â• advice columnist in True Blue Spirit, Blatt examines the samples to infer traits and tendencies suggestive of romantic, sexual, or platonic compatibility. For those interested in learning graphology, the volume includes several instructional chapters, as well as material on graphotherapy (the process of turning negative traits into positive ones through the conscious altering of oneÃ¢â ¬â„¢s handwriting). The volume also includes a variety of lighthearted anecdotes and quotes by famous writers, artists, scientists, and celebrities.

Customer Reviews

DENA is an amazing writer, I have read other books and they are great. She is fabulous and the books draw you attention, frankly I have a hard time putting any of them down once I have started reading. It is so right on what she is able to tell you about yourself and all by looking at the handwriting. Get this book and the others, you will not be disappointed.
