Synopsis

Now fully redesigned, this new edition contains the most up-to-the-minute practical information and listings, along with color photographs and maps. With detailed and fascinating insight into the regionÃ¢â ¬â„¢s culture, including its glittering contribution of Monet, Corneille and Gide, and history, Cadogan proves to be an engaging and informative companion. From the magical otherworldly Mont-St-Michel to the moving beaches of the D-Day landings; the coastal glamour of Honfleur and Deauville to the breathtaking workmanship of the Bayeux Tapestry, Normandy is a rich and complex landscape. Lush with orchards and horse meadows, it is home to a fair proportion of FranceÃ¢â ¬â„¢s superlative sights including MonetÃ¢â ¬â„¢s garden at Giverny and the stunning modern bridges over the Seine estuary. Cadogan offers fresh insight to these well-known destinations and then recommends the best places to try NormandyÃ¢â ¬â„¢s fine cuisine: its famous cheeses, Isigny butter and excellent seafood, all washed down with a slug of FranceÃ¢â ¬â„¢s most densely flavored brandy, the famous Calvados.

Clare Hargreaves has had itchy feet ever since going out to live in Africa at the age of 8 months. Armed with a degree in French and Spanish, she trained as a journalist, including an 18-month posting in Paris with Reuters. When not on the road, Clare combines travel writing with cooking Mediterranean food professionally.

I only buy Cadogon guides now even if they’re somewhat out of date. The reviewers are opinionated in a good way and offer inside info no one else does. (like getting a behind the scenes view of the Norman church under the gothic one in coutances.) Also lists market days for each town and covers even really small towns.

I love the Cadogan guides!
