Perfect gift for my two teenage granddaughters. They loved it and are having fun learning to play.

It never showed up on my iPad. It's in cyber space somewhere. Not happy!

Good book for choir rehearsals, and gives good messages as well. These all fit with the cycle that your church or organization are in during the church season.

The sample doesn't display correctly on my new kindle. Therefore, I wouldn't take the risk of

purchasing the Kindle version.
