Customer Reviews

I would recommend this book to anyone who is a fan of Merlin. Although this book is found in the youth fantasy section in book stores, it is easily an adult fantasy book. I am also pleased that is did not have any of the romance smut that infects many teen fantasy books these days. This is a great story, well written and family friendly. I look forward to book 2.

The merlin saga is SO RAD! I read these years ago when I was but a youngster, and my brother is the same age as I was so I bought this and the other books for him and hes hooked. Great buy as a

gift, or if you like Harry Potter type stories!

This series is not just for kids.....or it is for the kid still living in adults. These books have changed my life. TA Barron is an amazing story teller and clearly has real esoteric knowledge that he is weaving into his tale of Merlin. These books will kindle the flames of imagination and wonder for the magic that lives in this world and is born out of our hearts. Do yourself a favor and enjoy them!

Seven Songs (sequel to this book) was a HUGE part of my childhood.The whole Lost Years series is so great for kids. Think of it like the Narnia books; faraway land, fantasy creatures and adventure. Danger without too much violence. I highly recommend this one, parents!

great read

I read these books when I was too young to fully understand what was going on. Starting again is exciting. Compelling, likable characters, and the author is very good at making the scenes come to life with colorful detail.

I know everyone hates these because they are not perfect, but they are for children. The first book is not the best, but once you get past it the other books are Great! Or at least in my opinion they are

Delving into the magical world TA Barron created has been a wonderful experience. His elaborations brings each step on Merlin's incredible journey to vibrant life. The carefully crafted details make it all believable. I've never been a fan of fantasy fiction, but Barron and Merlin have won me over. I'm going along for the wild ride through the entire saga.
