Synopsis

Fed up of the prospect of another grey British winter writer Momtaz Begum-Hossain set off for a month with her backpack and a vague idea of travelling around West Bengal. Terrible at map reading and with little planning, she ventured north to the Himalayas where she encountered red pandas and drunk Darjeeling tea before visiting Dhaka during a political strike, celebrating Christmas in Kokata and ringing in the new year 2014 in Nepal in a private jet with SantaÃ¢â ¬Â¦(finally living out her Bond Girl dreams). A simple, honest account of one girlÃ¢â ¬â„¢s travelling tales which may just inspire you to visit the same regions of South East Asia.

Book Information

File Size: 6633 KB

Print Length: 103 pages
