Customer Reviews

I don’t think I could ever get too much of the hilarity that is in some way connected with church & religion. It reminds us to not take ourselves too seriously. Also, it reminds us of God’s sense of humor when He created the animals of earth. Just look at some of them!! The giraffe, rhino, platypus & elephant. They are so different in appearance, even somewhat funny-looking.The church signs often have double meanings which are thought provoking. Often, they are "statements" from

God. Some of the jokes are as old as dirt, but still funny. Thank you for gathering the jokes & stories for this book. I'll be looking forward to Religious Jokes Book Two.

Although I had seen or heard many of these jokes elsewhere, I enjoyed reading them again. Some good laughs for the whole family.

Some genuinely funny stories--especially those involving what kids say. A few too many "died in a car crash and get to the pearly gates where St. Peter says...

A few new ones, but mostly ones I'd heard. Very clean, of course, and tasteful but not worth it for me.

Jokes i can use to graphically communicate to othersSpiritual human conceptsWe all need to laugh!

This book is very funny and has something for everyone. Found myself laughing out loud alot and then calling friends to hare the jokes. These jokes will make you laugh and in the process you will feel life"s pressures disappear as you get lost in this humotous book of funnies.

With the networks running rampant with Xxxx rated humor these jokes are a much needed relief.

The book is getting better as I progress through it but now it won't let me go further unless I do this rating
