Synopsis

Worst. Summer. Ever.My best friend moved away at the end of the school year. Now my family has moved into a house that looks a thousand years old and could pass for the Addams Family's summer home. I'm pretty sure it's haunted, and I'm about to be the star of my own paranormal reality show whether I like it or not. But the worst part is that Walker Dean is my new next door neighbor.Walker Dean is heartbreak just looking for a victim. The boy tears through girls' hearts like a tornado through a trailer park. Sure, he's one of the hottest guys in school, but he's also a player who lives for hookups and doesn't know the meaning of the word relationship. A girl would have to be crazy to even think about getting mixed up with him.Wouldn't she?

Customer Reviews

Such a great read. Clean, fun, romantic and so relatable. Nothing I love more than a book that you don't want to put down.

This book is awesome! Can't wait for the next one!

I hate writing bad reviews because I know how much work goes into writing a story but here is one dear readers and I am sorry...Not bad for a YA supposedly mystery/suspense story which btw was not a mystery or suspense... However I have to admit it is what it is when it comes down to teenage angst and ooh aah how hot the young male next door is! There was not plot what so ever, no story except a young girl with too much drama. No character development at all just how the main characters made out in the middle of the night, that is it nothing more.

So much fun meeting these characters, couldn't put it down, fell in love with the whole gang. Everything normal and believeable. Then it's like the author left it out and somebody wrotea quick end and mailed it in. Brilliant young lady turns stupid, boy disapears, new friend suddenly acts total opposite worst character assignation ever to get to sequal . Author has great potential keep at it.

This reminds me how things should be innocent. They kiss and there is fireworks but LoL no hardcore sex. Characters seem real

Super cute summer beach read which is funny since that's a big part of the book. Fun short teen romance book. Delaney and Walker are a fun couple to read about. Very interested to see what happens next. ÃƒÂ¢Ã ËœÃ ÂºÃƒÂ Ã Â¸Ã Â•

I enjoyed reading Walker and Delaney's story. The sarcasm and wit of the heroine tickled me. Walker was sweet and interesting in all his sexy antics. I found myself transported to a hot, Texas summer with a 80s feel. Just plain fun and love in the air. My interest is now piqued for Molly and Quinn's story. The author definitely has the rare talent of drawing the reader in and keeping them waiting with bated breath for the next book. Great job on your first book.

Enjoyed this - its short but it's very cute. I don't like that the boy tried to make her jealous - rude! But overall, a great young teen love story.
