Customer Reviews

I have read all 14 books in the Nath Dragon series and am eagerly anticipating the next one. These books are a pretty easy read. All the action flows together unlike some authors who seem to get bogged down at various point.I say bogged down because I can tell when it becomes a chore to read through some chapters. I see a lot of reviews that say they couldn’t make it past chapter XX, I believe they just get bored and stop reading. There are very few moments in Craig Halloran’s books that it feels sluggish. Keep up the great work Craig!

In the author’s description of what happens in this, book 8 in the series, I was amazed at the amount of information he put out there. But as it turns out, there was much more going on in this book than I ever could have imagined.Nath is always in trouble, usually because of his mouth.DragonHome is in

dire straits with the constant enemy barrage. They don’t want to leave but.....you’ll have to read about that.Nath, Selene, Brenwar, Bayzog, Sasha and Sansla and the rest of the gang are still doing battle. Is there ANY end in sight?

I enjoy the adventures of Nath Dragon & don’t want them to end. Each book gets better and better. I find that once I start to read I can’t put it down.After the death of his father, in order to escape a sticky situation, he calls upon the help of his faithful sword. Nath then finds himself transported several years into the future fighting for his home and his dragons. Can he find a way into Dragon Home? Is his father really still alive? You have to keep reading to find out.

I recommend this, and all of Craig Halloran’s works. There is nothing better than a good book to pass the time and when the story is as good as this, the biggest problem is it goes way to fast!!!! Keep them coming Craig!!

I loved this series. So much action love how once again Nath and his companions come together to fight yet another battle . Can’t wait to read next book.

I am so glad this was not a cliff hanger... thanks. Otherwise, well written, enjoyable, laughed a little, cried a little and had a good time reading.

I am so in love with this series can’t wait to read the next one. Thank you Craig always. Melody

Like so many times before Craig has managed to bring new life to the storey of the Dragon. Now though being king Nathan still most face a great many more challenges and live through a great deal of pain and loss. He most grow or die at his enemy’s hands.
