Customer Reviews

Stunning large-scale tattoo work by stellar tattooists are captured... Their differing tattoo styles conveyed in backpieces and front torso tattoos should be of interest to a wide range of tattoo enthusiasts. (11/19/2014)Cuff's photographs are slick and darkly addictive. Torso's minimal design, and Cuff's use of black and white photography and closely cropped images enhance the graphic structure of the work in a powerful way. (Markus Cuff Tattoo Magazine, May 2015)

Markus Cuff - artist, photographer, musician, thinker, social documentarian, nature lover and Jungian.He is perhaps the most highly respected and visible photographer in the tattoo world; regularly contributing to Tattoo Magazine, Tattoo Flash, and producer of many magazine specials. He was the single largest contributor to the Rolling Stone book Tattoo Nation maybe because of his

access to Rock's royalty.Markus was the original drummer for Emmylou Harris and the cult band The Textones.
