Customer Reviews

As described.

Good selections, well transcribed and kids find them easy to read and play. We have a bunch from this series and kids and teacher all enjoy using these books.

Bought as a gift. My daughter is enjoying it.

EZ read and ability appropriate music book! Wonderful!

We love faber piano books and this one didn’t disappoint.

I picked this book for the song lineup. My daughter has taken it upon herself to learn more than her teacher has assigned and I’ve been hearing live Chrostmas music all season:-).

As advertised. Happy with purchase.

My daughter loves this book, and we’ve been enjoying listening to play the carols from this book.
