Synopsis

Jerome John "Jerry" Garcia (August 1, 1942 Ã¢â ¬â œ August 9, 1995) was an American singer-songwriter and guitarist, best known for his work with the band the Grateful Dead, which came to prominence during the counterculture era in the 1960s. Though he disavowed the role, Garcia was viewed by many as the leader or "spokesman" of the group. One of its founders, Garcia performed with the Grateful Dead for their entire thirty-year career (1965Ã¢â ¬â œ1995). Garcia also founded and participated in a variety of side projects, including the SaundersÃ¢â ¬â œGarcia Band (with longtime friend Merl Saunders), the Jerry Garcia Band, Old and in the Way, the Garcia/Grisman acoustic duo, Legion of Mary, and the New Riders of the Purple Sage (which Garcia co-founded with John Dawson and David Nelson). He also released several solo albums, and contributed to a number of albums by other artists over the years as a session musician. He was well known for his distinctive guitar playing and was ranked 13th in Rolling Stone's "100 Greatest Guitarists of All Time" cover story.

Book Information

Series: Adult Coloring Book

Paperback: 36 pages

Publisher: CreateSpace Independent Publishing Platform; Clr Csm edition (May 9, 2017)

Customer Reviews

Ugh! Looks like they took grayscale pictures and slapped them into a coloring book. I won't be ordering this one and hope other Deadheads follow suit. For shame.
