Good book for those who like to cruise

As I sit in my winter woolens, reading about Bermuda and where I will be in a few weeks takes the chill out of the day.

My husband and I are taking a trip to Bermuda and my husband was looking for a good book with lots of colorful pictures. I wanted some history as well as good information on things to do. This was my husband's Father's Day gift this year and we are both enjoying the book. It is making us more excited about our upcoming trip.
