Synopsis

1:20,000 Handy pocket sized atlas designed for those travelling around London on the Underground. Each tube station is included along with mapping extending to 1 mile around showing details of places of interest and full index. Endorsed by London Regional Transport. The distinctive Underground logo is carried on the front cover. MAIN FEATURES This handy pocket sized spiral atlas is designed for those who travel around London using the Underground system. It is equally useful for commuters, business people, visitors and tourists. The product simplifies the process of using the London Underground by listing and indexing all the street names and places of interest in central London to their nearest tube station. These streets and places are then referenced to a map centred on the tube station. The mapped area around each tube station extends to one mile so that all locations shown are within half a mile of the station and therefore within easy walking distance. INCLUDES * Detailed maps showing streets and important places within walking distance of the nearest tube station * Exits from tube stations clearly shown * Tube stations colour coded to show connecting lines WHO PRODUCT IS AIMED AT Specifically aimed at visitors who plan to travel by tube, showing all the places which can be easily visited on foot from each of the Underground stations
