Wanderlust Magazine: You've got to applaud Marco Polo's chutzpah to launch 30 new city/island guidebooks into an already pretty crowded market. Aiming to occupy the middle ground between the context-heavy luggage fillers and the context-free thinner volumes, the main USPs of these user-friendly guides are the plentiful 'Insider tips' dotted around each edition, the maps they're packaged with, and the pocket cheering price. Complete with near-magazine style features, they're certainly a less intimidating proposition than some of the big wedges on offer.

Marco Polo Guides are packed with unique insider tips. Straightforward information is presented in an engaging format which will appeal to the young and the young at heart. Includes a street atlas and a separate pull-out map.

These Marco Polo Guides are the BEST! - My friend (from Germany) buys them every time we travel somewhere together! And I have to say there is more usable info in these than any I have used in the past- they are also updated much more often- keeping the information relevant! The insider tips (one of there features) are never a disappointment!!!!I'm picking a few more for other cities I am planning to visit in the coming year.
