Grace Kelly is one of my favorite actresses and I enjoyed seeing these private pictures. I wished I would have seen more photos from her early years in Philadelphia.

I Simply adore and Love Grace Kelly, Recommended .

If you’re wondering whether this is different from that other picture book on Grace by Conant (An Intimate Portrati) ... it is. Not much different but enough to warrant having both. Small size but great shots.

How perfectly lovely and refined she was. This book shows all the wonderful pics of her for all of us to cherish.

Got this for a friend for her birthday and she almost cried. The pictures are beautiful and it’s full of wonderful information.

Excellent outline of Grace’s life, the things she did, her beautiful family .... Unfortunatly her death, far,far to young!!!Beautiful pictures of her, I mean she really was a beautiful women ... Her children are also beasutiful people!!!I would very strongly recommend this book to anyone who is a fan of Princess Grace, or would like to know more about her,this really does outline her life until her untimely death!!!!! Very informative overview of the relationship between the photographer and Grace Kelly. Beautifully natural photographs of a naturally beautiful woman. These shots could have been taken yesterday - they are truly timeless.

Interesting read. Great pictures!
