Customer Reviews

This was an excellent resource to use with my fifth graders in teaching them about the establishment of Connecticut and the Fundamental Orders. It was very well written and historically accurate.

Genealogists will drool over the lists of names of the early settlers. The map of New Haven (drawn abt 1644) is reproduced well and legible with magnifying glass. Excellent fact-packed quick read. Excellent notations and bibliography.

Excellent book!! Easy to read and understand. First-rate!
