Synopsis

The outstanding beauty and distinction of the small towns of Provence have proved irrestibly attractive to visitors from other parts of Europe and from America for the best part of a century. From the hills and mountains of the Alps and the Luberon, to the rich vine-growing country of the Var, to the delightful resorts of the coast, these communities are special places.

Customer Reviews

Altogether pleasing. -- Daily News, 24 November 2002Every travel agent’s dream book. -- Philadelphia Enquirer, 15 December 2002

Helena Attlee is a journalist specializing in European travel and gardens and a regular contributor to World of Interiors, House & Garden and Country Life. Alex Ramsay is one of Britain’s leading travel photographers. Most recently he was the photographer for The Most Beautiful Country Towns of Tuscany.

What a beautiful book on beautiful towns. Thank you.

love this book

Great!

If you, like me, cannot afford to travel to the south of France, this large-format book is the next best thing!!! Its stunning photography will really enchant you and leave you with a sense of regret that you cannot be there now, at this exact moment. Looking at the beautiful pictures of old but graceful buildings, narrow streets and dramatic landscapes you can almost sense certain serenity permeating those ageless country towns of Provence, endlessly basking in the golden rays of sun... Aaah, Provence....

This classic coffee table book features prominent villages in Provence. The birdseye photography is lovely, but this collection could benefit from pictures that take you into the town and show the reader what makes each one distinct. I own a half dozen books that profile French gardens, homes and interiors - this is not my favorite book.
