Customer Reviews

At last! The great chasidic education guidebook, Chovat HaTalmidim, translated into clear and accessible English. This work, by the famed chasidic master Rabbi Kalonymus Kalman Shapira, has been called a gateway to the palace of Chasidism. It is filled with practical advice and concrete suggestions on developing one's spiritual potential, impoving one's character, and sensitizing oneself to the holiness present in one's own soul. Reading this book is like being in the presence of a true master, a wise and benevolent spiritual guide who has taken a personal interest in one's spiritual growth and destiny and who reaches out to touch one's soul with joy and sweetness. (Rabbi Nehemia Polen, author of The Holy Fire: The Teachings of Rabbi Kalonymus Kalman Shapira, the Rebbe of the Warsaw Ghetto)This remarkable book, the only of Rabbi Shapira's works to be published during his lifetime, has been required reading among a significant portion of yeshiva students and their parents ever since it was first published in Poland in 1932. It is, on the surface, a book of practical advice given by a rebbe to a serious, motivated student on how to achieve true success in lifeÃ¢â ¬â ¢how to learn well; how to be a truly decent, God-fearing individual; how to overcome one's weaknesses; and how to build one's strengths. But, more deeply, it is a guidebook to an extraordinary spiritual adventure, aimed at making each and every person who reads it truly aware of their own extraordinary worth and potential in the realm of the transcendent and the

sublime. (Wellsprings)

Text: English (translation) Original Language: Hebrew --This text refers to an out of print or unavailable edition of this title.

In my opinion, the best translation of Chovot HaTalmidim available.It really captures the beautiful poetic nature of the original Hebrew phrasing.

Well written and the wisdom inside is profound. I recommend this book to anyone interested in overcoming obstacles such as laziness.

This is book is the real deal, I thought Lazer Broidie was inspiring...this the real deal..Give it a read!!! It can be rather wordy,still it is very eductional and informative!

The author offers us heart-felt life advice, and clear-cut guidance, which is conveyed to us through the vehicle of a one sided dialogue from student to teacher, and father to son. The type of work that stokes the coals of the fire within us all.

This book is great for children and adults, it teaches you morals and you learn a lot of interesting information about god, the warshaw ghetto, and about life. I love reading it, i think that everyone should read this book. This book has taught me so much about feelings, thoughts, and life. I would reccomend this book to everyone!
