Synopsis

Greek tragedy has never been so funny Zozimos' journey to the kingdom of Sticatha has been anything but smooth. He's survived enslavement, battled golems and a ravenous Cyclops, and generally served as plaything to gods and goddesses looking for a good laugh. All for the sake of reclaiming the Sticathan royal throne--stolen from him by an evil witch, aka his stepmother. You'd think that a stickman would catch a break after all that, but you'd be wrong. Arriving home only brings crazy family members and a return trip to sea, where mercenary centaurs and giant boar gods keep Zozimos questing and readers laughing. It would all be an epic tragedy if it wasn't so funny.

Christopher Ford lives in Brooklyn, New York, where he is a cofounder of the Webby Award-winning Waverly Films.

My son is in 5th grade but is a bit of a reluctant reader. We've been trying to fill in the gap between Diary of a Wimpy Kid books and this fit the bill. Some of the mythology terms were challenging, which was welcomed. It was a little violent but nothing to deter buying a 3rd title if this series continues. He enjoyed it.

Ten year old grandson loved it. His mother says it is an excellent introduction to the Odyssey.

Awsosome book I loved it. Could you make a 3rd book!

This is a great book written as a sequel to the first one both in the style of the oddessy. I can't wait for the third book to come out.

My son loves this series. Glad there is a book 2 and hoping they continue with more. It's the type of book he picks up to read over and over again... which is rare. Great series for a child that doesn't easily fall into the avid reader realm.

My son loves this book. Waiting for book 3 to be released

Got this for my 10 year old son and he really enjoyed it. It's a good way to get struggling readers to get interested in books.
